

ROYAL CORNWALL SHOW BACK FOR 2022

Back for the first time since 2019, this year is bound to be another action packed Royal Cornwall Show, the biggest event on the Cornish calendar. Whether you are a regular visitor, or someone attending for the first time, there is truly something for everyone.

The Show, once again, will be jam-packed with three days of top class competition,

exciting displays, and the opportunity for some serious retail therapy amongst the hundreds of incredible trade stands.

With a history that stretches back to the original Cornwall Agricultural Society in 1793, the Show not only provides a place to meet friends and colleagues, to do business, and of course, compete, but also somewhere to enjoy time with friends and family, and simply have fun!

At this time of change and uncertainty, it is more important than ever to demonstrate the heritage, community, and values of our county. Visitors often comment on the sheer 'Cornishness' of the event, which seems to thread its way through to every corner of the Show, with the magnificent Steam Fair, impressive Countryside Area, and the unmissable Cornish Heritage Pavilion.

With hot competition at its very core, and agriculture and horticulture of supreme importance, the Show offers hundreds of competitive classes across a whole host of sections, from beef cattle to bees, and ponies to pigs, and everything else in between.

As a leading 'foodie' destination, find out what the county has on offer in the very best of Cornish food and drink at the Cornwall Food & Farming Pavilion. If music and dance is more your thing, check out the three live stages, packed full of local talent.

Not to forget, the amazing entertainment gracing the Main Ring, and strolling around the Showground, ready to put on an impromptu performance for you.

This year the Shetland Pony Grand National will be making its Royal Cornwall Show debut; Shetland ponies and their jockeys will be racing it out each day for a place in the Finals at the London International Horse Show in December and back by popular demand, the Bolddog FMX Stunt Team will be wowing crowds with tricks 35 feet in the air.

The Show is also a place where much business is done, whether that be showcasing new products or services, catching up with current customers, or trying to attract new ones. The Royal Cornwall Show is very much the main event to attend for many Cornish businesses, and the first on the corporate calendar.

All in all, Cornwall's biggest day out is back in business.
