The Headland is coming alive with coastal blooms, and the beaches are waking up with the return of sea swimmers and dog walkers.

Swap the bracing sea air for a cozy corner at the Lewinnick. It's the perfect cliffside pitstop to soak up the Atlantic views and shake off the breeze.

Book Direct with us at receive exclusive perks!

Three Nights For Two  
Discover all that Cornwall has to offer by staying a little longer, with your third night on us.
