

**A REVOLUTION IN CARE FOR PATIENTS WITH GUM DISEASE**

**BOOK YOUR HYGIENE APPOINTMENT NOW**

Have you been putting off seeing the hygienist due to sensitivity?

*Say goodbye to old-fashioned, uncomfortable cleanings!*

At Gentle dental, we're proud to offer guided biofilm therapy, the latest, pain-free and gentle approach to keeping your smile healthy and bright.

**Appointments are filling fast.** Even if you aren't registered with us, you can book a direct access appointment (without seeing a dentist first) to experience a next-level clean that protects your oral health – **without the dental anxiety!**

Gentle Dental  
excellence quality beauty innovation
