

Ellis Wharton Wines are delighted to announce
that we have become a **Certified B Corporation!**

We are only the third UK Wine Merchant / Distributor to achieve this fantastic accolade and are excited to join a small but growing community of Cornish B Corps which includes fantastic brands of likeminded businesses such as Rodda's, Origin Coffee, Finisterre and St Eval Candles.

It's very rewarding to have our commitment to the highest environmental and social standards validated by our B Corp status. This certification will shape our future aspirations as one of the UK's leading Independent Wine Merchants which considers people, planet and profit at its very core.

Just two minutes off the A30 at Indian Queens - a short hop from Nansledan! We have ample parking, our warehouse shop will give you access to quality wines, great pricing and excellent customer service. We offer free tasting of 16 wines from our wine emotion machines as standard at all times and in the festive buildup we will host suppliers for many more instore free festive tastings!
